## CNG Conversion Services

The WorldCNG 2009 Chevrolet Impala is ready for taxi service. The 2009 Impala features a 3.5L or 3.9L V6 Engine and achieves an average of 25 miles per gallon in the city. This is 10 miles better than most current Ford Crown Victoria taxis in use. With an 11-gallon fuel capacity, the Impala has a 275-mile range on a single fuel load of compressed natural gas and sets a new standard for decreased emissions, while raising the bar for fuel economy.
